PICK DESTINATION AND IDEAL TIME

With over 10 must-see landscapes, there is something for everyone! Know a place that is not on our list? We can customize.

Determine the perfect season for the family to vacation and let us align the best destination to fit.

WELLNESS FOR THE WHOLE FAMILY

Suspend all the distractions that life brings and go into the wilderness with your family. Learn how to connect without your devices. Laugh and play together outside. Through nature, you will experience a stronger connection with each member of your family.

VACATION WITH A GUIDE

We do the heavy lifting so you can relax. Our program specialists will create an itinerary to meet the needs of each member of the family. We facilitate and lead the experience so you aren't left with the decision-making, the menu planning, or the cooking. We have all the gear and the expertise. You get to sit back and focus on the people you love.

BREAKWATER EXPEDITIONS

Our mission is to strengthen community through meaningful custom experiences powered by nature.

Breakwater leads both fully immersive wilderness excursions as well as day trips for families residing in a lodge or retreat center.
