# Breakwater Expeditions Field Experience Log

## **How to complete this application:**

Please submit applications electronically. List trips chronologically from most recent to least recent. Do not let form size limit the information you provide. Increase the number of rows as needed.

For GQA's 2-5, Group Composition indicates who made up the group; were you traveling with friends, were you working with clients, were you taking an instructional course? A guided trip indicates you were paid for guiding the trip. Please be aware that we reserve the right to confirm any experiences that you list on this application.

## **GQA.1. Youth Work Skills**

Describe the clientele and behaviors that you have experienced. Indicate if there were any therapeutic interventions and/or behavior modifications involved in the work.

## **GQA.2. Ocean Environment and Sea Kayaking/Flat Water Canoeing Skills**

List all personal and guide paddling experience on flat water or the ocean. Include any instructional/training courses.

## **GQA.3. River Tripping and Moving Water**

List all personal and guiding experience on moving water and the type of vessel used (kayak/canoe/raft). Include any instructional/training courses if applicable.

## **GQA.4. Rock Climbing Skills**

List all personal and guiding experience you have in alpine (i.e. above tree line /winter/roped up) environments. Include any instructional/training courses if applicable. This does not include resort skiing/snowboarding.

## **GQA.5. Backcountry Outdoor Skills**

List all personal and guiding backcountry experience. Please include any instructional/training courses if applicable.

## **Certifications**

Please list certifications and expiration dates. Also include any additional courses, seminars, conferences, etc. Breakwater Expeditions' Guides must hold a current Wilderness First Responder or EMT Basic Certification. Copies will be obtained for personnel files prior to employment.
